

Warranty Statement

PROTECTION GUARANTEED WITH WORLPOLY WARRANTY

When you invest in a genuine Worldpoly machine, you can rest assured that your purchase is covered by our 12 month warranty and protected under stringent Australian Consumer Law (ACL), no matter what country the equipment has been sold in.

We guarantee the state, quality and condition of all Worldpoly equipment, and the advice and recommendations our team provide in terms of suitability for application and locations in which our machines will operate.

In the unlikely event of a defect, Worldpoly will immediately ship the required parts. If you believe that they should be supplied at Worldpoly cost under warranty, the all we ask is justification to the level you would expect if the show was on the other foot.

When purchasing Worldpoly equipment, please ensure that it is a genuine Worldpoly machine, as inferior copy equipment in the market is not covered by warranty, resulting in owners potentially being liable for dangerous non-compliant electrics, and out of pocket through repair or replacement costs and lost income.
